AGREEMENT FORM FOR GIRL SCOUT GOLD AWARD PROJECT ADVISORS

The Girl Scout Gold Award is the highest award a Girl Scout Senior or Ambassador can earn. Through her Gold Award project a girl uses her leadership skills to develop and implement a unique service, educational, or community project. As a project advisor you will offer advice to the girl on her specific project details. Your mentoring may include assisting with goal setting, project planning, timeline development, advice on resources and contacts, encouragement, and motivation. You will act in an advisory capacity throughout the project, but should not be responsible for any planning or implementation responsibilities. The girl will also be supported through her process by a Girl Scout Gold Award Committee member, council staff, and her Girl Scout troop leader; it is not necessary for you to have any prior knowledge Girl Scout processes as these other volunteers should be able to assist her.

If you agree, fill out the agreement and return to the Girl Scout you will be advising. If you have any additional questions about the Gold Award project, please contact the Girl Scouts of Wisconsin – Badgerland Council Program Specialist at 800.236.2710. Girls keep a copy and return one copy with your Gold Award Project Proposal.
